

Dear Friends of Sammie's Friends,

(March 17, 2020)

We have always had the best interest of our community at heart, and during these extremely stressful and challenging times this is no exception. Because of this we have made the difficult decision to postpone our "20th Year of Service" Casino Night celebration event that had been scheduled for April 25. We did want to state, however, that we are committed to having this event before the end of the year, when things settle down and we know we are not putting anybody at risk.

If you are someone who has so generously "sponsored" our event, or made a cash donation, please contact any of us and let us know if (if you are sitting on a sponsorship proposal, this includes you):

- You would like us to send the \$\$ back to you; or
- You would like us to hang onto it for when we do re-schedule the event (you would be entitled to the co-marketing opportunities between now and then); or
- You would like us to consider it a donation to Sammie's Friends separate from the event.

We are completely fine with whatever choice you make.

If you are someone who has generously made donations for the silent auction/raffle prizes, please contact us and let us know if:

- You would like us to send the donated item(s) back to you; or
- You would like us to hang onto it for when we do re-schedule the event;

We are completely fine with whichever choice you make.

If you are someone who has already purchased tickets, please contact us and let us know if:

- You would like a refund for the ticket(s); or
- You would like us to make the tickets valid for the re-scheduled date;

We are completely fine with whichever choice you make.

Please let us, once again express our appreciation for any and all forms of support for Sammie's Friends expressed now and always!! Sammie's Friends would not be the outstanding organization it has been and will continue to be without this amazing community support. We know that all of us will get through these difficult times, because of the amazing community we live in.

With the greatest gratitude and appreciation,

Cheryl Wicks, Curt Romander & Sammie's Friends Board of Directors
