Dutch

Happy Husky Needs a Home

Dutch is a 4 year old neutered male Husky/German Shepherd mix. He loves the snow, running along on mountain bike rides, fishing at the lake, cuddling, and is great on a leash for walks in the neighborhood.

Dutch was rescued from an inhumane breeder at just 4 weeks old. He is a bit scared of strangers and slow to warm with people, but once he trusts you he is the biggest cuddle bug and lover. He has a submissive and unpredictable relationship with other dogs so being an only pet would be best for him. I am having to re-home Dutch because I'm currently in the middle of a twin pregnancy, have a two year old, and two other dogs who I am also rehoming. I unfortunately don't have the support I need to take care of everyone properly

so I've come to the decision that my fur babies are better off with someone else.
