

# HI! I'M LILY

I need a new home

# PLEASE ADOPT ME

I'm 6 ½ years old and about 65 lbs. I'm a tall pibble (pit bull), so pretty. 🥰

I need to be only pet because I get really irritated when my four-legged brudder tries to get near my person! 😞

I love all humans - to kiss and cuddle and watch TV. I like the safety and security of being at home most of the time. 🥰

I'm a good couch surfer, love short walks, good boundaries, hanging out in the sun. ☀️

I'm a great mouser and will get moles out of your yard too. 🐭 Have a few sticks? I'm so goofy and love to pick them up and throw them in the air. 🥰

My entire body wiggles when you come home! I'm as sweet as a caramel-chocolate bar. 🍫

My mom is so sad to rehome me, but it's better for me and my brudder's health in the long run. 😞

Adopt me, your next love bug! But please no other pets as I like to get all the attention. 🦋
