## Bear

He has his first shots and is 8 weeks old (10/14/24). His name is Bear. He's a nice friendly and so handsome boy.

Mom is our family dog. She is a Pitsky (Pit Bull/Husky). She is sweet natured, and gives lots of squinty smiles. She has a stubborn Husky streak, a curly tail, and a people-centered nature.

The dad was a young German Shepherd male who we have not been able to locate. Very friendly, if a little dopey. He had a medium length coat.
