

COURTESY LISTING

Tabby cat

He is definitely a hunter, a year and a half old, a tabby, he's completely fixed and had all of his shots. We can no longer keep him for a variety of reasons. He likes to hunt quails, birds, lizards, gophers etc. He's out all night and sleeps all day no health problems if you need any additional information you can call me at 530-432-22 50 home or 530-559-22 75 cell
