

COURTESY LISTING

MR. BUD

Mr. Bud is a very playful, goofy, silly, and gentle boy. He is nine years old and he loves hiking, car rides, chicken, and running around with toys playing "you can't catch me". He is very enthusiastic. He has a unique and fun personality. He can be the life of the party but he also enjoys cuddle time. If you are not paying attention to him and he's been waiting for you to get home from work all day he may go find something that smells like you and gently bring it to you as a trade for head pets.
