

COURTESY LISTING Panda

Panda is a super sweet, calm and happy girl. She is five years old. She was shown in conformation. She achieved her Good Canine Citizen award. She has been my house dog, she's house trained, knows basic commands, and walks very gently on a leash. She loves watching movies especially with animals and other dogs but she also likes running errands. She's a foodie and loves dinner time and she has a special obsession with string cheese.
