Kilo

Male American Pitbull Terrier
8 months old
D.O.B. 03/03/2024
50 lbs

Neutered, microchipped, up to date on all vaccines. Vet records provided. Kilo is a very friendly, people pleasing little boy with a goofy, docile temperament who always wants to cuddle. He's overall very calm for his young age and has never exhibited any destructive behaviors; chewing, digging etc. He is house broken, crate trained, walks well on leash and also enjoys being an inside couch potato. Kilo really loves kids and would do well in a house with children. He has lived with kids and cats his whole life. He has been friendly with other dogs encountered while on walks. Kilo is a loving family pet and companion.
