Chispa

OK folks, we know someone out there is looking for an ANGEL of a companion dog. This is Chispa (Sparky en español), also known as 'Cheese Puff.' We found her through a service that match-makes doggies with specific owner needs. Our checklist was 'easy to take care of, compliant, sweet and fun but not too hyper, compatible with elderly owner.' She was inseparable from my wife's dad for the past 4 years (she turns 5 this spring). He passed away recently and we already have a pack of crazy dogs here, so sadly we can't keep her. :(She is, simply put, a dreamboat. There is nothing better for your self-esteem than arriving home to this dog. She loves to make friends with adults, kids and big dogs. Car rides, dog parks and long movie nights. Piña colodas and getting caught in the rain. If you think you might be the one, let us know. If you're in or near Nevada County CA, great, but if you're awesome but far, we will meet you somewhere halfway. It has to be the right home for our beloved Cheese Puff!
