

COURTESY LISTING

Zuko the 4 year old Pit-Mix.

Zuko is an amazing companion and natural protector. A boundless ball of energy and goofiness. He will swim for hours and play until your heart content. He is well-trained and for a pit-mix he responds acutely to call and vibration-collar commands. He is very adventurous and takes advantage of his muscular capabilities. Enjoys bike rides, hiking, and swimming. But he won't miss the opportunity to be the little spoon. He is good with cats (currently lives with a few) and other dogs with proper introduction.

Zuko is very respectful of the home and furniture. He does not invite himself onto couches or beds and has been trained to stay out of the kitchen, trash, and away from the dining table. He does not chew furniture or destroy anything that isn't his. He likes to gnaw marrow bones regularly and will enjoy ripping apart a stuffed animal. He will gladly accept an invitation to the bed and kindly asks to share your meal.

Zuko has been trained with the guidance of a professional trainer. He has an off-leash collar with vibration capabilities and responds very well to commands.

His ideal home is someone with a normal lifestyle. He needs a more sociable lifestyle around people and other dogs on a more consistent basis. He works well with someone with strong commands and an outgoing personality.

Zuko is very healthy with no outstanding issues. He weighs about 85lbs.

If you think Zuko is a good fit for you, please call/text Mo at 925-577-4298 or email at mohammadtaeb27@gmail.com and let's arrange some time together. We are located in Grass Valley. I have lots of dog supplies for him and am happy to cover expenses to ensure ease in his transition.
